

LITTLE WALTHAM GARDENING CLUB REPORT (December)

We finished the year with a well attended festive social. The tables were full of everyone's food contributions and Sarah and Jean's quiz challenged our brains. The drama group gave the Club a gift of very entertaining evening with their action packed Christmas songs . Their enthusiasm got everyone into a seasonal mood. The Club is most grateful to all the singers who took part as they had to fit our entertainment in between rehearsals for the pantomime.

Our evening meetings will start in February with Marion Sidebottom (MA., ARPS., RHS gold and silver gilt medals), giving her presentation of 'Simple Plant Photography using a Smart Phone or Tablet)

March 4th - we hold our AGM, when hopefully a few volunteers will come forward to help running the Club as the Secretary is definitely standing down after 40 plus years in March 2027. Members will have every opportunity to put forward their views about running the Club. It would be a great shame if Little Waltham Gardening Club were to close.

SPRING SHOW, SATURDAY 11th APRIL in The Memorial Hall.

There are classes for everyone - you don't need to be a Gardening Club member or live in Little Waltham. We will have classes for spring flowers and veg, cookery, craft, flower arranging and photography.

Schedules of classes can be downloaded from www.littlewalthamgardeningclub.co.uk

Or from Marion (01245 361857), or Maggie (01245 360042)

Please don't be shy of entering, we'd welcome as many entries as possible.

Please let Marion know which classes you would like to enter by Wednesday 8th April. Entries to be on the show benches by 10.15 please.

MAKE A DATE IN YOUR DIARY - please come to visit our show between 1.30 - 4.30pm . We'll have a bumper plant stall and homemade refreshments.
